| 2 of 2 people found the following review helpful. | Arthur Conan Doyle's stories were wonderful, Felix J Palma's work is an insult to readers and historians all over the world. | By J | I love Arthur Conan Doyle's stories. There were quite a few in here that I had read before, but there were some that I hadn't. The only problem was that they had added another several chapters from another author, Felix J Palma, just so that they cou | .com | **Penzler Pick, February 2000:** What is there about the greatest series of short stories in the history of the world that hasn't already been said? This is the second (of five) story collections by Doyle about the greatest detective in literature--and
